

Pick-Up Broom

Sweep dirt and debris or scrape mud going forward or in reverse. Ideal for construction, industrial or municipal jobs, the Pick-Up Broom is easy to attach and simple to operate. The reversible cutting edge helps cut loose caked-on mud, while the sweeper's poly bristles deposit dirt and debris in the container, which can be dumped when full.

Replaceable bolt-on cutting edge and wafer package – Curb Sweeper optional.

Shown with optional Curb Sweeper.

FEATURES

- Adjustable arbor mounts allow control over bristle pressure to surface while extending bristle life
- Replaceable cutting edge
- Completely covered to control dust. Ideal for warehouses, machine sheds, parking lots, job sites, etc. where dust containment is a MUST!
- Reversible bristle direction for multi-purpose
