

## *Earth Auger*

The powerful Earth Auger drive units are durable enough to withstand any construction or utility use in even the toughest ground conditions. These planetary drive units produce high torque at low speeds and offer reverse rotation for cleaning of the hole.

*Choice of 2" hex drive (shown here) or 2 9/16" round drive.*

### **FEATURES**

- Planetary gear drive for lower maintenance costs
- Available in 2" hex or 2 9/16" round drive shafts
- Drills vertical or angled holes
- Self-cleaning

*Also available for compact tractor.*
